

Custom Nameplate Plate Frames

- All frames are made from sturdy rust proof 20 gauge stainless steel, and guaranteed for a minimum of 4 years of exterior use.
- Available in three different finishes in frame styles that do not block DMV registration tags in all 50 states.
- Universal fit and easy mounting application.
- Custom nameplate graphics available with up to four colors on a white, silver or black background in 6" or 10" long formats; Clear polyurethane doming is added for protection and an enhanced look.
- Matching frame finish hardware hider caps are also available to complement your frame.

WHY PURCHASE A CAMISASCA LICENSE PLATE FRAME VERSUS THE CHEAPER VARIETY OFFERED BY OTHERS?

- The backside of a vehicle is free outdoor advertising. Maximize this space with a frame that will last for years, not days.
- Your image will be maintained on a product that does not rust, warp or become distorted over time.
- Makes a great gift or add-on, with a perceived retail value of \$30 to \$40 each.
- All products are distributed from our California manufacturing facility for reliable turn-around and quality assurance.
- We private label and supply these same quality license plate frames to 26 vehicle manufacturers in North America.
