

Custom Plaques

A quality way to showcase your limited edition product

- Made from heavy gauge stainless steel, carbon fiber composite, or aluminum with a self-adhesive backside, suitable for exterior application.
- Custom full color 2 and 3D graphics produced using the proprietary processes developed in our OEM supply programs.
- Available Finishes: Polished Bright, Brushed, Satin Silver, Black, White, and Carbon Fiber Composite.
- Custom sizes available up to 10" x 12".
- Clear polyurethane doming is used on color plaques to protect your custom graphics from surface scratching and UV exposure. Doming can also be added to non-color plaques to enhance the look at a nominal fee.
