

Premium Full Color Screen Printed Plates

- All plates are made from 0.060" impact, UV, and scratch resistant coated polycarbonate that will not yellow or crack with normal use.
- Your custom graphics are applied using our unique backside printing process to ensure your brand's quality image is preserved from scratches and chips.
- Standard U.S. plate size with two or four mounting holes to aid in a secure fit, and universal mounting application.
- Designed to fit in any of our custom license plate frames, or simply add our patented hardware hider caps for a finished look.

See Backside for More Details

WHY CHOOSE OUR SCREEN PRINTED LEXAN PLATES?

- All lexan plates are made from clear, impact and scratch resistant coated polycarbonate UV protected material.
- These high-quality plates will not yellow or crack over time.
- You can rest assured knowing your graphics will be pristine for years to come.
- Low minimum order of only 100 pieces.
