

Plain Slimline Style

Nameplate Style

Patent No. 10035475

Motorcycle License Plate Frames

- Fits all U.S. plates, excluding Alaska, Minnesota, and New Mexico – extremely universal thanks to its unique tab-less design, most frames cannot make this claim
- Simple two piece assembly includes an exterior paint finish .040” Aluminum Mounting Bracket and rust-proof 18/8 stainless steel bracket-to-bike mounting hardware for a tab-less mount
- Secured plate offering “full exposure” of the license plate without blockage of any important information, & increased anti-theft deterrent
- Photo Etched Nameplate on .020” Aluminum with clear Polyurethane Doming + UV Inhibitors - *Nameplate Style only*
- *4-year Exterior-Use Warranty*

WHY CHOOSE CAMISASCA MOTORCYCLE LICENSE PLATE FRAMES?

- Made from the same high-quality materials we supply directly to some of North America's most prestigious vehicle manufacturers
- Patented backing-plate design eliminates the need to directly screw the plate and frame through to the vehicle mounting bracket
- Easy-to-follow mounting instructions enclosed in package
- All frames have a 4-year exterior use warranty
